Medical records containing personal information will be maintained throughout your treatment. These records will contain information including, but not exclusive to, your name, address, date of birth, Medicare number and your referring doctor's details. During the period of assessment and ongoing management, information of relevance is recorded in clinical notes. These records are stored securely and may be kept for up to seven years following your last consultation. If necessary, for the continuity of your medical care, this information may be shared with other health practitioners involved in your treatment. In certain circumstances there may be a legal obligation to disclose clinical information.

### I acknowledge that:

- information about my health will be recorded by QPain Pty Ltd employees and contractors in a confidential file which may be scanned or paper based;
- my consent will apply to this and subsequent consultations, until withdrawn by me in writing.

### I consent to allowing QPain Pty Ltd to:

- take a medical history and to collect personal information about me in order to attend to my health needs and for associated administrative purposes;
- pass on/discuss relevant medical information about me to my referring doctor and any health care provider to whom I am referred my consulting doctor;
- pass on/discuss relevant medical information about me to insurance or legal representatives (for example insurer, employer, solicitor) in the case of Third Party\* or Workers' Compensation\* matters. (\*Delete whichever is not applicable);
- include information about my treatment on my printed receipt to enable me to claim my medical rebate entitlement;
- request relevant medical information regarding my medical history from other doctors or health care professionals involved in my care;
- recall me for follow up of medical problems as deemed necessary;
- disclose relevant de-identified medical information for research and quality assurance activities to improve individual and community health care and practice management;
- I understand that I am not obliged to provide any information requested of me. I also understand that failure to provide this medical practice with all the information it needs may restrict the practice's ability to provide the quality of health care and treatment that I want;
- Note:** If you are a guardian this policy is to be read as from the perspective of the patient for whom you are a guardian.
